**We are a social enterprise, investing profits back into the community to achieve long term savings for our customers. So help us spread the word.**

## Hoorah for Caroline Lucas MP

**BHESCo** would like to offer support to our very own **MP Caroline Lucas** for sticking her neck out by taking a stand against fracking in Balcombe. Well done for putting forward the case in the national media for renewables and energy efficiency over a mad dash for gas. Kayla Ente will be speaking on Radio Free Brighton on Monday about the absurdity of shale gas exploration.
